### Enrollment

In consideration of the services provided by Ocean Blue Education LLC and participant's payment of fees, participant and parents or guardians agree as follows:

### Enrollment and Additional Forms

After we, Ocean Blue Education (OBE) receive your application and deposit we will contact you to confirm your enrollment. We will then forward you an acceptance letter and packet of required forms including, but not limited to an OBE participant medical form as well as a Complete Liability Release. These forms contain important information about the program activities, the risks associated with the program activities and your responsibilities. Please read these forms carefully. All forms must be completed and signed by participant and parent/s. Final acceptance to the program/s is contingent on OBE's timely receipt and review of all required forms.

### Medical Treatment

Participant and parents authorize Ocean Blue Education (OBE) staff, representatives, contractors or medical personnel to provide medical care for the participant, to transport to a medical facility and to provide treatment that they deem necessary for the participants health. Participant and parents agree that OBE has no responsibility for medical care provided to a participant, and agree to pay all cost associated with medical care provided.

### Insurance

OBE requires parent/s to purchase medical insurance for the participant, for our summer program. OBE also highly recommends that parent/s purchase travel insurance as well, to cover additional potential losses. OBE is not responsible for costs incurred or the refund of tuition fees due to trip delay, cancellation, interruption or early termination (as discussed above) or costs from lost baggage or lost, stolen or damaged personal belongings. Parent/s understand they are responsible for all costs associated with the above risks, including but not limited to medical evacuation and care or treatment of their child, while on program or otherwise, including those costs that may not be covered by their purchased insurance, or their own personal insurance.

### Deposit, Tuition, Cancellation and Return Policies

Our initial deposit of \$1,000 dollars is required to secure your spot on one of our trips. The initial deposit is 50% refundable until February 1, 2010. All deposits and tuition are non-refundable after February 1, 2010. Final tuition is due March 10th 2010. A \$200 late fee will apply to any balance that is more than 10 days overdue. If a participant is more than 30 days overdue on payments OBE reserves the right to cancel that applicant with no refund. Due to the nature of our trips OBE reserves the right to cancel or change any portion of the trip that it deems necessary, including program itinerary, trip dates, location and duration, as a result of unforeseen circumstances. OBE is not responsible for any cost incurred by a family preparing for a trip that must be altered or cancelled. Participant and parents acknowledge that if a participant chooses or must leave early on their own accord or as a result of being dismissed or for any other reason that the cost is the sole responsibility of the participant

and parents. These cost may include but are not limited to: medical evacuation and costs, medical treatment, plane, train, taxi or bus fare, meals, accommodations, phone calls and compensation and expenses for staff who may accompany participant. In the event a participant is sent home early, they may be traveling from and/or to a different airport than their original itinerary. Parents should understand that participants leaving early for any reason may not be accompanied by staff on any part of their trip home. In addition, if parents cannot be reached when and if their teen returns home early, the Emergency Contact Person designated in your OBE medical information packet is the individual we will contact for notification and communication purposes.
